STATEMENT:

While the other parties struggle for workable solutions to Alaska's Fiscal gap, the Republican Moderates have proposed a clearly workable plan to balance our state's budget. It doesn't require cuts in dividends and services or new taxes on you.

Education for all of Alaska's children and other programs crucial to our well-being would be adequately funded without difficulty for the foreseeable future using the revised funding formula proposed by the Moderates.

Other things we should be doing include encouraging mineral exploration, stabilizing prices for commercial fisheries, developing a better marine highway system and expanding our railroad to the lower 48.

Subsistence is important to Alaskans of all walks of life. We need a solution that is inclusive and regains State control of fish and game.

Tourism is our third largest industry and our state parks need to be open for business.

Republican Moderates favor an open tolerant government; we are best described as moderately conservative on fiscal issues, moderately liberal on social issues.

The Republicans closed your primary. The Republican Moderate Party is taking the issue to court to stop the Republicans from closing it again.

You can get more of the same by voting the Republican's back in OR, If you value your personal liberties, vote Republican Moderate in November. Regardless of whether I win, Moderates are likely to win seats in the Legislature this year and, if I get 3% in the general election, the Moderates will continue to be a recognized Party and change Alaska's future.

Currently, arrogant politicians adhere to rigid platforms that represent their parties but not the people. The Republican Moderate Party does NOT have a platform. Instead, we listen to and will truly represent our constituents. We are not politicians for the people, separate and above; we are the people.

Republican Moderates are allowed to and do differ in opinion. However, we are all committed to integrity and to upholding individual rights and freedoms. The Republican Moderate Party is not for sale to big oil or special interests. Republican Moderates are neither conservative nor liberal. We are middle-of-the-road everyday people who use common sense and basic smarts to evaluate issues and solve problems. We are Alaskans for Alaska.

I believe in maintaining an efficient and compassionate infrastructure. I also want government out of my face, my pocket, and my bedroom.

Dividends - Yes!

Taxes - No! (unless you're an oil company)

Subsistence - Let the voters decide!

The Budget - The Republican Moderate Party has a proposal that, clearly and painlessly, balances the budget.

Most Alaskans believe that the man or woman running should be of more importance than the party. We think so too. Please consider Republican Moderate candidates when you vote.

THANK YOU!
